December 2022

December Meeting of the Amherst Orchid Society

Holiday Potluck- Bring a dish to share!

Location: The Pulaski Club, 79 Maple Street, Easthampton

Date: Sunday, December 11, 2022

Time: 2:00 p.m.

President's Message

Joe Maciaszek

Hi Everyone

Well, Thanksgiving is behind us, I hope everyone had great time with friends and family. We had a great meeting in November with many members attending including four new members. A nice selection of plants was on the show table. I hope everyone got their membership plant and they are happy in their new homes.

We talked about the upcoming Cape and Islands show. I am thankful to Liz and Dave, who have offered to help with setting up the display at the CAIOS show on Jan 19. Additional help would nice as I am not sure that I will be able to get there. I hope members will step forward to help the society with its many activities.

We will be talking about our upcoming show to make sure we are all set and members are ready to help out at the show.

The December meeting is our holiday party, so please bring a dish to share.

The good news is this will be our last time meeting at the Pulaski club in Easthampton as we are able to start meeting in our regular meeting place. So, the January meeting will be back at the Monson Memorial Library at 1046 S. East St. Amherst.

Looking forward to seeing everyone at our next meeting-

Joe

Show Table November 2022

Did you know.....

.... that every month Orchids magazine has 18 pages of color photos of the most recently awarded plants? A great reason to join the American Orchid Society-
