October meeting

The Massachusetts Orchid Society show is coming up on the second weekend of November. Anyone who has plants that they would like to have included in our exhibit should contact Joe, Liz or Stacy.

Our November meeting is scheduled for the same day that some of us will need to travel to Winchester to take down the Massachusetts show, so we discussed trying to hold the meeting on a different date. The consensus was November 17 would be the preferred date.

Joe stepped down after serving as president for 15 years. We are all grateful to Joe for his dedication and leadership during his term as president. Vice President Marge Tanguay led the remainder of the meeting.

Steve Steiner reviewed the plants on the show table, assisted by Marc. As always, our group had a diverse display of beautiful and interesting plants.
